

## Omnidirectional antenna for 4G dataloggers, KIT-LTE-M and KIT-LTE-W

code: MP054/1

Omnidirectional GSM/UMTS/LTE antenna, black

### Technical data

| GENERAL TECHNICAL DATA |                 |
|------------------------|-----------------|
| Impedance              | 50 Ohm          |
| Polarization           | Vertical        |
| Operating temperature  | -20 to +65 °C   |
| Directivity            | omnidirectional |
| Connector              | SMA(m)          |
| Dimensions             | 71.5 x 10 mm    |
| Weight                 | 8.34 g          |
